OFFICE OF THE PRESIDENT

Mr Aaron Etra
Station WYBC
Yale Broadcasting Corporation
New Haven, Connecticut

Dear Mr. Etra:

I have been long delaying writing you regarding the kindness of your telephone call of a few weeks ago in hopes that I would find an opportunity soon to compile some statistics on attendance, etc., at the previous IBS National Conventions. A long succession of business trips have forced me to continue to put off this task. I hope to get to it shortly.

In the interim it is only fitting that I thank you for your call and for the interest expressed by yourself and your staff. One thing that the past few weeks have afforded has been an opportunity for me to consider your suggestions with some of the members of the IBS national staff. I wish to relate that holding the 1962 National Convention at Yale (and, if practical with IVY, adjacent to the IVY Network convention) seems to be an attractive situation.

If such continueto seem feasible to your staff, we would like to undertake serious discussions of it with you, hoping to be able to arrive at the point of being able to issue an announcement of preliminaries such at time and place before the onset of Christmas recess period.

I shall make a point of sending you further details of past attendance within a week.

Best regards,

Richard H. Crompton
